Jim Roper passed out first year patches. Jon Moser made a motion to accept the minutes as recorded. Jill Stickler 2nd. Motion carried.

Treasurer's report was given by Marritt. Jan: Expenses \$6231.02 Income \$2104.90
Balance \$22,033.04. We are still waiting on the bank card income from the auction. As of January we have received approx \$180. from the Fred Boyce memorial.

Options were discussed on how to make up for the meet canceled in February due to the bad weather. The most recent option was to hold the meet the last weekend in March. The Expo has contacted all concerned who had events scheduled for that weekend and all were willing to reschedule. Other options were discussed but none were as viable as this one. Val Hackett made a motion to accept this option. Marritt Moser 2nd. Motion carried. All teams were encouraged to send a thank you note to the Jackson County Expo for clearing the weekend and not charging extra.

Wes Hardin has been contacted and the cattle will be available for the last weekend in March.

Jim will check with the Expo to see if it is possible to schedule meets later in the season for next year.

Jim Roper needs a list of 2 people from each team to serve on the stewardship committee. This should include cell phone numbers and can include youth and adults. Maybe 1 youth and 1 adult.

The raffle tickets need to be sold ASAP. Jim would like it done within one month. If there are any changes for the first meet let Lanny know ASAP. He will send out an updated Excel spreadsheet for the second March meet.

Medals from past years can be made up. Contact Jim.

Send the drill patterns to Jim. Email and PDF files are okay. Make sure to darken the patterns so that they are legible.

Team rules must be turned in ASAP. You cannot compete without them on file.

There was some discussion about making Dennis Smith an honorary board member. Thank you Dennis for all that you do!

Jim ended the meeting.

Respectfully submitted,
